

JOB TITLE: REGULATORY ATTORNEY

FULL-TIME POSITION

LOCATION: CALIFORNIA

SALARY: \$155,000- \$195,000

ABOUT CALCCA

The California Community Choice Association (CalCCA) is a non-profit trade association representing Community Choice Aggregators (CCAs). CalCCA's mission is to create a legislative and regulatory environment that supports the development and long-term sustainability of locally run CCA electricity providers in California. We serve our members and strengthen our collective voice through education, technical guidance, and regulatory and legislative advocacy.

HISTORY

CalCCA was launched in 2016 by the first six CCAs in California: CleanPowerSF, Lancaster Choice Energy, MCE, Peninsula Clean Energy, Silicon Valley Clean Energy, and Sonoma Clean Power. Today, our membership includes 24 CCAs operating in California as well as several emerging CCA communities. Our members are successfully and reliably serving upwards of 14 million customers in more than 200 towns, cities, and counties in California - and those numbers are set to grow as more communities move ahead with CCA programs.

THE POSITION

The Regulatory Attorney works under the general direction of the Director of Regulatory Affairs/Deputy General Counsel and may receive direction from the Chief Policy Officer/General Counsel or Chief Executive Officer. The Regulatory Attorney works in direct support of CalCCA's Regulatory Affairs Team, providing leadership and/or support in regulatory proceedings before the California Public Utilities Commission, the California Energy Commission, and the Federal Energy Regulatory Commission and in the policy initiatives of the California Independent System Operator. The Regulatory Attorney may be asked to coordinate with the Legislative Affairs, Market Design, and Data Analytics teams and support the General Counsel in corporate governance or other matters.

DUTIES AND RESPONSIBILITIES...

Regulatory and Legal proceeding engagement

- Manage CalCCA's engagement on behalf of its CCA members in regulatory and legal proceedings. Prepare high quality filings for regulatory and legal proceedings
- Lead CCA committee meetings to establish proceeding strategies
- Develop relationships with CCA regulatory and legal staff to coordinate strategy
- Work with CalCCA external counsel and contractors
- Update CalCCA management and the CalCCA Board on proceedings
- Develop and maintain relationships with regulatory agency staff and other parties

Internal coordination

- Regularly work with and report to the Director of Regulatory Affairs/Deputy General Counsel and the Regulatory Team on proceeding engagement
- Support the General Counsel on various legal matters
- Seek input from the Directors of Data Analytics and Market Design to gain information necessary to support regulatory positions
- Coordinate with Senior Counsel & Manager of Strategic Policy Initiatives in developing policy positions and legislative positions

MINIMUM QUALIFICATIONS & EXPERIENCE

- Bachelor's degree
- Juris Doctor degree from an ABA approved law school and licensed to practice law in California
- At least 2 years' experience in energy law, which must include practice at the California Public Utilities Commission and/or the California Energy Commission
- Knowledge of CCAs and related policy issues

REQUIRED SKILLS

- Superior writing skills
- Administrative hearing experience
- Ability to grasp complex concepts and explain them simply
- Excellent presentation development and delivery skills
- Ease and effectiveness in collaborative teamwork
- Ability to forge consensus in large groups or associations
- Ability to adapt in fast-paced environments
- Desire to work with passion, integrity, and a positive attitude
- Skilled in the use of Word, Power Point, Excel, Teams, and Air Table

DESIRED QUALIFICATIONS & EXPERIENCE

- Experience with the California Independent System Operator

REGULATORY ATTORNEY: FULL-TIME

\$ COMPENSATION & BENEFITS

Compensation range for this position is \$155,000 to \$195,000 and will be commensurate based on experience. A monthly benefits stipend is provided to be applied to the CalCCA health, dental, and vision package. Additional benefits include an employer 401k contribution, monthly cell phone reimbursement, long-term disability and life insurance coverage, wellness and professional development reimbursements, and a generous paid time off package.

The successful candidate must reside in California and will work remotely from a home office with hoteling available in Sacramento; however, the position requires availability to travel regularly for work assignments throughout California.

CULTURE & DIVERSITY

At CalCCA, we strive to create a culture that encourages open communication, divergent thinking, continuous improvement, and personal responsibility. As a small organization, trust, collaboration, and mission alignment are integral to our success. We are committed to providing an inclusive, empowering, and supportive work environment and welcome people from different backgrounds, opinions, and experiences. We strictly prohibit discrimination and harassment of any type with regards to race, color, religion, age, gender identity or expression, sex, sexual-orientation, national origin, disability status, genetics, or any other characteristics, protected under law or otherwise.

APPLICATION PROCESS

The position is open until filled. To be considered for this position, please submit a formal cover letter and detailed resume in pdf format at jobs@cal-cca.org. Include your first and last name at the beginning of both the resume and cover letter file names. Please also note in your email where you saw the job posting. Resumes will be screened in relation to the criteria outlined in the job description. Given this position requires exceptional writing skills, applicants will be required to participate in a one-hour writing exercise during the interview process. Candidates deemed to have relevant qualifications will be contacted.

Our mission is to create a legislative and regulatory environment that supports the development and long-term sustainability of locally run Community Choice Aggregators (CCAs) in California. We serve our members and strengthen our collective voice through education, technical guidance, and regulatory and legislative advocacy.
